› Active with Kids

Discover Thule's wide range of Active with Kids products, from multisport trailers and strollers to child bike seats. Our carriers help you make the most of your active life – all while your kids are transported safely, easily and in style.

Share the experience

At Thule we're all about living an active lifestyle and enjoying to be outdoors. And we believe that you are too, also as a parent! That's why we've developed a broad range of products that let you and your kids share your passions – whatever the season and wherever you want to go.

Safety

Thule designs products to meet or exceed international safety standards and our own rigorous internal testing ensures our products can handle the toughest conditions. When choosing Thule, have peace of mind knowing our products are one of the safest on the market.

Ease of use

Our products are designed by outdoor enthusiasts, many of whom are parents. That's why we've included design features that enhance your experience and ensure our products are intuitive and easy to use.

Perfect fit

Our products are built to last and designed to be the perfect fit for both parent and child so they will be used again and again.
